

## Tufts Counselor Connection–Terms and Conditions

- I am a college counselor currently employed by the school on record with Tufts University, and I counsel students on the college application process for this school.
- I understand that any information I receive from Tufts regarding particular candidates for admission is provided to me only because of my position as a counselor, and I agree to use such information only for legitimate counseling purposes.
- I further agree that I will not disclose such information, except to other qualified employees in my current school, without written consent of the candidate's parents (or the candidate, if he or she is over 18 years of age).
- I will not share my username and/or password with any other person.
- I agree to notify Tufts University of any change in my school affiliation.
